

# Welcome

Have a coffee and a bite to eat, a beer in the sun, a wine via the cellar door, listen to some live music, explore the vintage and collectables spaces or stroll through a gallery or two.

## The Mill Castlemaine

This site started life as a woollen mill in 1875, then it was a carpet factory and now it's home to all manner of interesting businesses and tenants.

Feel free to wander around, though as this is an ex-industrial space and restoration and landscaping are ongoing, we do ask that you be careful where you put your feet.

Tenants keep their own individual opening hours and some are not open to the public at all.

DOGS: Please keep your dog on a lead at all times. There are dog waste bags outside Icecream Social, Castlemaine Vintage Bazaar and in the piazza.
